

SAGE-GROUSE EXPERIENCE

SATURDAY, APRIL 20, 2019

4:30 am to noon

Facebook: Sage Grouse Experience

This *free event* offers an early morning excursion to a lek to watch sage-grouse strut. The bus will then take the group back to the Elko Basque Club to enjoy a delicious brunch and a presentation from experts in sage-grouse biology, behavior, and conservation. Each participant will receive a Sage-grouse Experience souvenir. We welcome ages 12+ with adult. Transportation provided. Northeastern Nevada Stewardship Group and community partners promote education outreach opportunities and commitment to conservation.
